

Take a look at Mountain Gem's FREE Great Auto-Buying Service.....

Auto Direct!

We have teamed up **Gus Myers**, a reputable Auto Broker to work directly with you. Gus has been working for Mountain Gem Credit Union Members for 5 years and has proven his record of commitment to our members by maintaining the highest integrity. In fact Gus is experiencing repeat business from past members who received a great deal and excellent service!

Auto brokering is where an agent, *Auto Direct*, locates and negotiates the purchase of a car or truck to *your* specifications. All you do is get pre-approved for a loan amount and *Auto Direct* will find the *best* Vehicle for your needs at your price. You save hundreds, even thousands by going directly through a broker. Need to trade in a vehicle? No problem, *Gus* will take your trade and give you a fair amount for it. By getting pre-approved you avoid the possibility of getting "pressured" into a payment which doesn't match your budgetary requirements.

Gus also has a great inventory on hand to choose from: Call a MGCU credit union representative today at 466-9455 or call Gus directly at 841-7207.
